

Secondary Supply List (Grades 6-12)

By the time students reach 6th grade, many students have figured out their own organizational system, so secondary teachers are pretty flexible in that area. Below is a list of other suggested materials to have for each class. You will find a general list at the top, which apply to all courses.

General Supplies:

3 ring binder
Notebooks and folders for each class/subject
looseleaf paper
Pencils
Erasers
Pens (blue, black)
Highlighters
Sticky notes

Planner

Compass, ruler, or graphing calculator
Lock for locker (if desired)

*Because some electives are offered for 1/2 the year, these may not be needed right away:

PE or Dance attire—loose fit clothing and safe tennis shoes
Art class—sketch book
