He also encouraged the board to continue looking for another board member. If we could nominate one in April the appointment could be made in May. All compliance issues or questions should be sent to Jenny Peterman. Keith also asked that during the shutdown all board packets and info be sent five days in advance to board members as well as Chris Oshelski, Jenny Peterman, and himself.

part of the meeting (virtually) so that she could stay in the loop regarding everything that was going on during this time.

J. Unfinished Business.

1. Donna reported that a table was set up at the Parent Teacher Conferences for parents to be able to sign up for the Parent Teacher Partnership Committee. Quite a few signed up (about 14) and quite a few expressed interest in various tasks. Donna also touched base with several teachers about the upcoming meeting (April 14th) and invited them to come so they could let parents know what they could use help with. Donna is going to send out an email to everyone regarding the upcoming meeting and that it will possibly have to be rescheduled to another date.

K. New Business.

1. COVID-19

Becky spoke and talked about the announcement Governor Whitmer had made regarding school being closed through April 13th. MDE has not given a lot of guidance regarding what we should be preparing for as the closure extends. They have announced that online learning will not count toward days/hours for this school year.

Michigan is working with the federal government for a standardized testing waiver for this year. We are still waiting to hear from LSSU regarding NWEA testing. The Legislature meets Wednesday the 25th and hopefully decisions will be made and we will have some clarification.

Abe asked the board if they wanted to, as a board, give Becky any guidance on the info she is sending out. Jeff, Donna, and Trisha all said wait and see and let Becky do what she is doing.

If the State gives guidance on changing the calendar Becky would re-do and send to Board for approval.

Keith spoke and said if we were told to go on-line LSSU would be willing to help with that. He also commented that the Superintendent for Detroit Public Schools suggested to have the rest of the school year cancelled. It has been stated that graduation for seniors would not be effected. We are in a wait and see period.

L. Extended Public Comment. None

M. Other Business. None

N. Adjournment of Meeting. Motion was made to adjourn meeting. Jeff Derenzy moved, Donna Grams seconded, CARRIED, 3-0, to adjourn meeting at 6:50p.m.

Respectfully submitted,
